

Artist-In-Residence @TDA

We are very pleased to announce that Mr. Bezuba Kaunda, from Pilane, Botswana, will be our very first Artist-In-Residence @TDA. Mr. Kaunda is a self-taught and accomplished artist who has nurtured his passion for artistic expression since the age of 8 years old. Mr. Kaunda enjoys painting in public spaces in order that the language of art is integrated into everyday life and learning.

During the month of August, Mr. Kaunda will be painting a mural at The Dow Academy Primary School Campus, overlooking the lower primary courtyard. Mr. Kaunda will be engaging the students in the creative process and in helping to show the students the fundamentals of creative artistic expression.

Please join us in welcoming Mr. Kaunda to the TDA community!
