TDA Tele Radio Launch @TDA

On June 16 2021, The Day of The African Child, The Dow Academy launched the TDA Tele Radio Station from Mochudi, Botswana. The TDA Tele Radio studio is located on our primary school campus. We are the first on the continent. Courage to build our students a platform.

TDA Tele Radio is live on Youtube every day from 0800-1600. Our students are learning to present, to ask questions, to research, and to be heard...it is incredible watching our Diamonds find their sparkle!

On June 13 2021, Cheshe Dow, Tlotlo Mokotedi (std 7), Palesa Motshabi (std 7) and Kohath Mwabaya (std 7) were on DSTv telling the world about the amazing work Team TDA is doing to reimagine education and grow problem solvers. If you missed it [click here](#).

BITC @TDA

Our CEO, Cheshe Dow, spent some time this June to encourage and share her experiences of running The Dow Academy with a film crew from BITC. [Watch here](#).

Artist-in-Residence @TDA

Our 3rd Artist-in-Residence at The Dow Academy is Mma Kushonya, a master weaver from Gumare, Botswana. TDA has commissioned three large baskets in the age-old Botswana tradition, one for each campus. During her time at TDA, Mma Kushonya is teaching our IGCSE art students about form, pattern and design using sustainable materials to create functional and enduring art.

Made from 100% natural fibres and dyes.

The Sword of Mochudi @TDA

The first installment of the critically acclaimed short film The Sword of Mochudi was selected for the Golden Short Film Festival in Italy. The film has now aired on KweI-TV in the United States and on Upic TV here in Botswana.

We are currently in post-production...the sequel is coming soon.
