Announcing the 2022 Prefect Leadership Mentorship Programme!

This TDA Tech Series® initiative is about offering leadership skills development to our Form 4 and Form 5 Prefects. These leadership sessions are free of cost to Senior Prefects at The Dow Academy. In this installment, Prefects will attend leadership mentoring sessions focused on exposing them to “experience-tiered” leadership. Experience-tiered leadership is a leadership development model that attempts to combine traits, behavioral/styles, situational and functional theories while addressing leaders’ specific abilities. At The Dow Academy, our

Prefects will be focusing on the following 3 tiers of leadership development offered by Ms Kushatha Moswela:

- 1. Self leadership**
- 2. Serving the group / class**
- 3. Serving the school / community**

The mentorship sessions will be led by our TDA Fellow, Ms Kushatha Moswela. Ms. Moswela has work experience in Financial Risk, Enterprise Risk Management, Analytical Skills, Risk Management and Embedded Value. Ms Moswela is the

Why are we continuing to offer Prefect Leadership Mentorship @TDA?

As The Dow Academy is continuing its journey to a comprehensive Multiple Pathway offering, we are striving to expose our Prefects to dialogues about how to achieve their leadership ambitions. 2022 is the second year we are offering this development opportunity. In 2020 the Prefects Leadership Mentor was Mr Thebe Modikwa ([here](#)), the Chief Operating Officer at Metropolitan Life Botswana.

Our vision **@TDA** is to nurture global citizens who build sustainable communities. To achieve this, we are empowering, developing and nurturing our students through various leadership opportunities. As our Prefects are already young leaders, we wanted to provide them with an opportunity to grow as leaders through the support of our #Community. Through the Prefect Leadership Mentorship programme, our Form 4 and Form 5 Prefects will explore the below topics over the 2022 academic year. **#GrowingProblemSolvers**
