What Is “The TDA Tech Series®”?

[The TDA Tech Series®](#) is our platform for delivering technical and technological skills to our students through innovative partnerships. **#MultiplePathways**

Announcing the 2023 Leadership Development Programme!

Growing
Leaders:
Habitudes
SOCIAL EMOTIONAL LEARNING

In the 2023 installment of the TDA Tech Series®, we will be offering FREE Leadership Development workshops to our 2023 Form 1 TDA students.

In this installment, students will participate in a term-long leadership development programme called ‘Growing Leaders: Habitudes.’

Click [here](#) to learn more about the leadership development workshops.

This programme is divided into 16 sessions, and will assist students to have a more immersive school experience by:

- Helping them break out of their shells
- Creating environments conducive for higher learning
- Minimizing bullying by raising empathy
- Capitalising on personal strength, thus creating a career-ready individual upon graduation.

Courage. Creativity. Community.

2021-2022 Rise and Reach Development Programme

In 2021, our Form 1 students took part in the 3 Year John Maxwell leadership development programme called 'iLead.'

They completed the first development programme workshop called '**iChoose**' which covers connecting values, and leadership.

The development workshops will be led by our TDA Fellow, **Ms. Phetso Ntsoe.**

Phetso Ntsoe is a branch manager with FNB and a life coach. She teaches leadership to executives and emerging leaders around the world. An expert in developing high-growth individuals, Phetso can relate to the increasing number of challenges that individuals face today. Her first-hand experience helps others to navigate through times of complexity, ambiguity, change, opportunity, and growth. The events of her own life taught her how to find her voice and discover her leadership potential.

Why Introduce Leadership Development @TDA?

The Dow Academy Vision **@TDA** is *Reimagining education to nurture well-rounded global citizens who build sustainable communities.* To achieve this, we are preparing

Courage. Creativity. Community.
www.thedowacademy.org

our students to take those important and often determinative first steps towards being a well rounded citizen by developing their leadership skills.
#ReimaginingEducation #GlobalLeaders

Over the course of the program, students will accomplish the following goals:

1. To assist a greater number of students in rural areas to succeed in life
2. To be proactive in improving student discipline, attendance and ultimately student achievement.

How Will it Work?

The programme will start on 8 February 2023, with classes running on Thursdays from 14:00 and ending at 15:30, for 16 weeks.

Click [here](#) for a full programme brief of the Growing Leaders programme.

At the end of this programme, our Form 1 Secondary School students will obtain **life skills, learn how to become leaders and influencers** and **earn soft skills they can use throughout Secondary School and beyond.**

How Do I Apply?

The programme is compulsory to all TDA Secondary School 2023 Form 1 students. However, each student is required to complete a writing exercise as a prerequisite.
