VISION

Reimagining education to nurture well-rounded global citizens who build sustainable communities.

MISSION

Growing problem solvers.

DEAR PARENTS/GUARDIANS, WELCOME TO THE DOW ACADEMY

Thank you for entrusting your child's basic education to The Dow Academy (TDA). We are excited to have them with us.

Here at TDA, we are Growing Problem Solvers. The unique value we bring to basic education is the integration and development of technical, vocational, and life skills alongside the long-established academic programs currently offered in schools worldwide. This holistic approach ensures our students are equipped with practical knowledge and tools for their future.
